

Enhanced Survey Program (ESP) Documents

Blank **ESP Documents** are available through the MyFreedom Portal to aid with hull survey preparation for vessels enrolled in the Enhanced Survey Program.

From the Fleet Overview Page, select a Vessel and click "Surveys" from the left menu. The screen will default to 'Scheduled' Surveys.

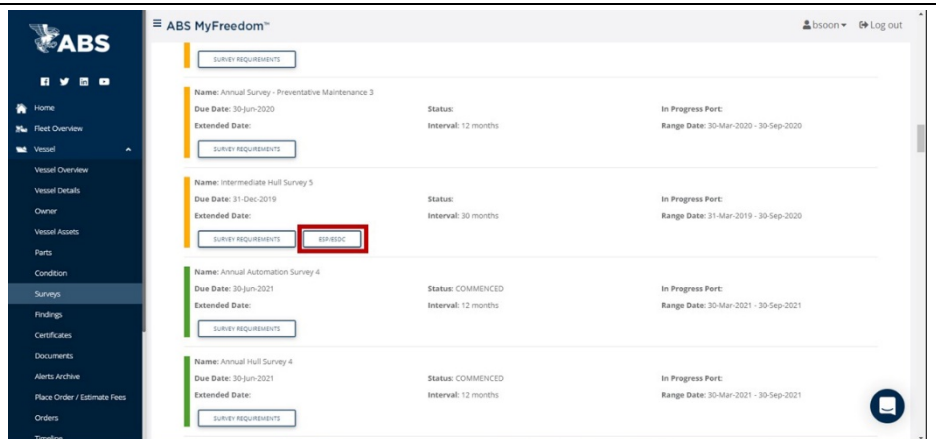

SCHEDULED

For vessels enrolled in the Enhanced Survey Program, a blank Survey Planning Questionnaire and Survey Program Document are available for applicable Hull Surveys.

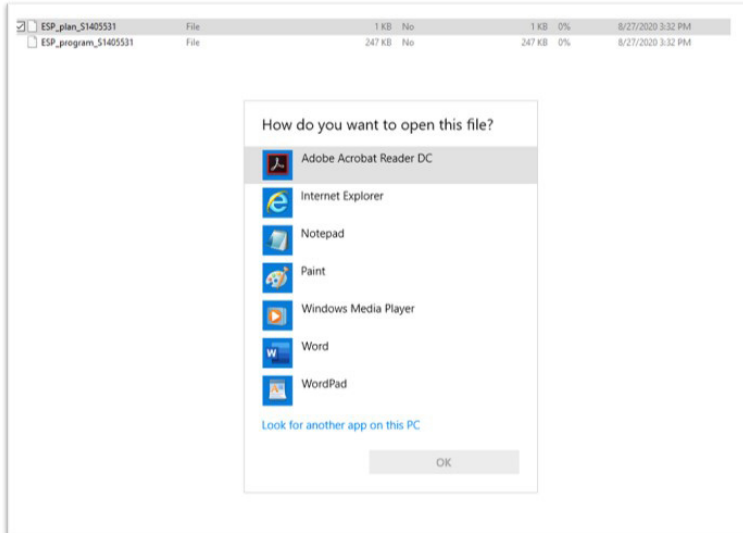

When available, they are accessible via the 'ESP/ESDC' Button and will be downloaded as a .ZIP file.

ESP/ESDC

The ESP Survey Planning Questionnaire and Survey Program Document will be available in your 'Downloads' folder.

To open, select the desired file and open by right-clicking on the file name and selecting the appropriate reader program, such as Adobe Acrobat Reader.

Survey Planning Questionnaire:

The Survey Planning Questionnaire is pre-populated with vessel and survey information.

You may populate any of the editable fields.

Submitting ESP Documents

The completed ESP Documents can be submitted to ABS when requesting the associated hull survey via the MyFreedom Portal. The completed document can be uploaded as an attachment on the Place Order Page.

The ESP documents will then be available in the ABS Work Order for the attending Surveyor.

Viewing updated ESP Documents

ESP/ESDC documents updated during an attendance are accessible from Documents under Vessel in the left-hand menu.
